The whole world is watching Chrissie and her accomplices cause she made mainstream media.

I'm sure, Chrissie and her accomplices think, you're too slow, ha ha, we can delete our tweets, lie and get away with it, ha ha. Nobody will ever know how we abused you, committed hate crimes on you and got away with it cause we just lie.

The entire planet, worldwide, globally is watching. I wonder how it will turn out for Chrissie and her accomplices?

Thanks Chrissie, I know you're stalking me and will just lie about it Federal Court, you know perjury is enforced in Federal Court, min 5 years, I think, anyway, thanks for all of your hard work of abusing me and harassing me cause I'm a Scientologist and you're a religious hater

3

Kathy Gold @adventuresofkg · Sep 4

So if you have racist or religious haters abusing/harrassing your children or friends, family etc etc, just have them do their due diligence and go to court to collect. In the end, all these people's assets can be confiscated to pay for my fees of evidence gathering etc etc

I'm sure, Chrissie and her accomplices think, you're too slow, ha ha, we can delete our tweets, lie and get away with it, ha ha. Nobody will ever know how we abused you, committed hate crimes on you and got away with it cause we just lie.

You said primarily, German, British and Italian, is there any more? If so, continue. If you are only German, British and Italian, I don't know what that falls under, what demographic it hits, I think it hits 3 demographics, one for German, one for British and one for Italian.

The whole world is watching Chrissie and her accomplices cause she made mainstream media.

I'm sure, Chrissie and her accomplices think, you're too slow, ha ha, we can delete our tweets, lie and get away with it, ha ha. Nobody will ever know how we abused you, committed hate crimes on you and got away with it cause we just lie.

The entire planet, worldwide, globally is watching. I wonder how it will turn out for Chrissie and her accomplices?

The whole world is watching Chrissie and her accomplices cause she made mainstream media.

I'm sure, Chrissie and her accomplices think, you're too slow, ha ha, we can delete our tweets, lie and get away with it, ha ha. Nobody will ever know how we abused you, committed hate crimes on you and got away with it cause we just lie.

The entire planet, worldwide, globally is watching. I wonder how it will turn out for Chrissie and her accomplices?

MUs stands for Misunderstoods, anyway, they were trying to explain it and it was weird, they didn't make sense. I just went wholetrack meaning I remembered my past lives before earth or pre earth, that's what this church is about, past lives. Have fun on your recon my best

when I was reading Marty Rathbun's blog in 2009/2010 etc etc all the Scientologists coming out with their stories etc etc some where trying to explain implant stations and what implanters were and implants and I got casuse they did the OT levels inside this church but have MUs,

down the wholetrack there was two US Federation Implant Station Networks, one for the Military and one for civilians. If you go to the copyrights office to get copies of the OT levels, if it's not explained the difference between the two, I'm filling in your gaps here cause

For all law enforcement and military on my lines, here's a visual of an implant station, an analogy, I have no idea if there is visuals on the OT levels, what's

floating around online is only like 3%, there's 97% missing.

Thanks Chrissie, I know you're stalking me and will just lie about it Federal Court, you know perjury is enforced in Federal Court, min 5 years, I think, anyway, thanks for all of your hard work of abusing me and harassing me cause I'm a Scientologist and you're a religious hater

3

Kathy Gold @adventuresofkg · Sep 4

So if you have racist or religious haters abusing/harrassing your children or friends, family etc etc, just have them do their due diligence and go to court to collect. In the end, all these people's assets can be confiscated to pay for my fees of evidence gathering etc etc

1

Kathy Gold @adventuresofkg · Sep 4

To all law enforcement on the line, this Chrissie psycho Scientology religious hater is so correct, I'm so money, the evidence I'm gathering is gonna cost \$300.00 an hour or whatever the going rate is, cause I gotta do everybody's job and I'm the victim/plantiff LMAO or cha ching

Thanks Chrissie, I know you're stalking me and will just lie about it Federal Court, you know perjury is enforced in Federal Court, min 5 years, I think, anyway, thanks for all of your hard work of abusing me and harassing me cause I'm a Scientologist and you're a religious hater

**Kathy Gold** @adventuresofkg · Sep 4

So if you have racist or religious haters abusing/harrassing your children or friends, family etc etc, just have them do their due diligence and go to court to collect. In the end, all these people's assets can be confiscated to pay for my fees of evidence gathering etc etc

**Kathy Gold** @adventuresofkg · Sep 4

To all law enforcement on the line, this Chrissie psycho Scientology religious hater is so correct, I'm so money, the evidence I'm gathering is gonna cost \$300.00 an hour or whatever the going rate is, cause I gotta do everybody's job and I'm the victim/plaintiff LMAO or cha ching

MUs stands for Misunderstoods, anyway, they were trying to explain it and it was weird, they didn't make sense. I just went wholetrack meaning I remembered my past lives before earth or pre earth, that's what this church is about, past lives. Have fun on your recon my best

when I was reading Marty Rathbun's blog in 2009/2010 etc etc all the Scientologists coming out with their stories etc etc some where trying to explain implant stations and what implanters were and implants and I got casuse they did the OT levels inside this church but have MUs,

down the wholetrack there was two US Federation Implant Station Networks, one for the Military and one for civilians. If you go to the copyrights office to get copies of the OT levels, if it's not explained the difference between the two, I'm filling in your gaps here cause

For all law enforcement and military on my lines, here's a visual of an implant station, an analogy, I have no idea if there is visuals on the OT levels, what's

floating around online is only like 3%, there's 97% missing.

Thanks Chrissie, I know you're stalking me and will just lie about it Federal Court, you know perjury is enforced in Federal Court, min 5 years, I think, anyway, thanks for all of your hard work of abusing me and harassing me cause I'm a Scientologist and you're a religious hater

3

Kathy Gold @adventuresofkg · Sep 4

So if you have racist or religious haters abusing/harrassing your children or friends, family etc etc, just have them do their due diligence and go to court to collect. In the end, all these people's assets can be confiscated to pay for my fees of evidence gathering etc etc

1

Kathy Gold @adventuresofkg · Sep 4

To all law enforcement on the line, this Chrissie psycho Scientology religious hater is so correct, I'm so money, the evidence I'm gathering is gonna cost \$300.00 an hour or whatever the going rate is, cause I gotta do everybody's job and I'm the victim/plantiff LMAO or cha ching
